There are other areas in Little Tokyo, but I understand the time limits. I think we can work with the E6 team as long as ww are able to communicate with each other.

Hi Joanne -

Sorry we'll miss you today.

With regards to your question about the geographic area that the E6 team will cover -- their boundaries are very broad (roughly, south to the 10 FWY, North to Chinatown, East to the River, and West to the 110 FWY -- with the exclusion of Skid Row).

However, during our planning meeting for the tour, the group agreed to limit the tour to the current parameters -- mostly in the interest of time, but also because we couldn't identify too many "hot spots" east of Alameda. Are there any particular spots that you think we should discuss today?

Thanks,
Grant

Hi Grant,

What is the geographic area that the E6 Team will be serving? The visits are on 1st Street, 2nd Street, 3rd Street and San Pedro. Will they be serving other parts of Little Tokyo?

Joanne

Hi Folks -

So in advance of this Thursday's tour, here are some details and prep. Apologies in advance for the long email.

- 1) We will be starting and ending the tour at the Koban (thanks, Brian!)
- 2) I've attached a draft agenda which includes notations regarding each stop along the way, and assigns some leads for each point of the tour. **ELLEN/JOANNE/JUSTIN** -- I assigned BID staff and Justin to point out most of the hot spots along the way. Let me know if this is a problem.
- 3) I've also attached a draft list of LT homeless regulars. I'd like to share this with the E6 team in advance of our meeting. If there's anybody whom you think we should add to this list, please do so and return to me.
- 4) I think we are going to be VERY TIGHT on time -- so those of you who are speaking at stops -- PLEASE be mindful of the timeframes that I've indicated. We are spending 10 minutes total at most stops. **This probably means that you have about 5 minutes to talk.**

TALKING POINTS -- For those of you who are a "lead speaker" at a particular stop, here's some guidelines in terms of what to discuss/share:

- 1) Briefly summarize your experiences with homeless folks
- 2) What types of approaches have you tried? What has been effective?
- 3) What are your hopes for this team? Are there "regulars"? What do you need in terms of support?

My cell number is 213. 604-2678 -- feel free to reach out if you have any questions.

I am anticipating that the following people will join us for the entire tour:

Rey Fukuda

Ellen Endo/Joanne Kumamoto (Probable - but still resolving)

Michael James (BID Security Captain)

Justin Saka

Kristin Fukushima

Patty + Steve Nagano

Yasue Clark

Grant Sunoo

Jan Fukuhara

We will meet these people at their respective places of business (y'all are welcome to join us for the whole tour, but I assumed that it might be a lot to ask):

Brian Kito (Fugetsudo/Koban) - 1 PM

Rev. Peter Hata (Higashi Honganji) - Approx 1:40 PM

David King (Baldoria) - Approx 2:15 PM

Leslie Ito (JACCC) - Approx 2:30 PM

James Choi or Jonathan Yang (Cafe Dulce) - 2:45 PM

Thanks!!

Grant
